Friday at Five

Calling all Boaties

Come and join your fellow club members on the Broadwater for some boating fun followed by party pies and sausage rolls at the Main Beach clubhouse from 5pm, over three Fridays this Summer.

Your fellow clubbies have put together a fun short series of boating events which are definitely not serious and are more about fun and using your boat through the Spring and Summer months.

The object is to navigate around the Broadwater over a prescribed short course at an allotted speed, and to arrive at checkpoints (which are navigation marks on the Broadwater) at a set time - Points are lost for every second you are late or early - each second counts. The whole emphasis is on fun and enjoyment, and to use your boat when normally it would sit idle in your pen. Events are run on Fridays at a time, and speed, that suits you, and normally last an hour.

Course instructions are provided prior to the event, which suit each competitors start time and nominated speed.

Join with other members at the Main Beach clubhouse at 5:00pm on these special event days for some club camaraderie and to find out who won and who lost and where one went wrong, with prizes for each event and a special award to be presented on completion of the third event to the best competing vessel.

Open to SYC members of any category, (excluding social) with any type or length of boat that is capable of maintaining a minimum speed of five knots throughout the event.

\$20 entry per vessel. 2016 dates – 14 October, 18 November, 9 December.

Further information available on Powerboat page on SYC website.

Entry Register at reception: Southport Yacht Club Main Beach. (07) 5591 3500
