

# POWERBOAT HANDLING

EVENT DATE: 12<sup>th</sup> & 13<sup>th</sup> August 2017

EVENT VENUE: Australian Sailing Qld Office, 578 Royal Esplanade, Manly, 4179

EVENT DETAILS: The powerboat handling course involves launching, engines and fuel, types of craft and navigation. The aim is to improve your boat handling skills at low planing speeds and other skills associated with short passages. The course is a must for anyone looking to further their boating knowledge & is a prerequisite for Safetyboat Operator & Instructor Courses.

EVENT INFORMATION: Registrations close 7<sup>th</sup> August 2017. [CLICK HERE](#) for further information.
