

Note!

Competitors must complete the entry register and pay the entry fee at SYC Main Beach prior to the event. Nominate start time on the entry register (start time must be to an exact minute).

Competitors must collect a Tack Tracker device from SYC Main Beach prior to the event. Device must be turned on and recording prior to start of event, however do not cross start line prior to event start, with device recording (for example, from the other direction). Device must remain on for duration of event (until after the finish).

Competitors must return the Tack Tracker device to the event organisers (at SYC Main Beach) by 5:45pm on the day of the event.
