

Amendment of Notice of Race

Coffs to Paradise 2016

AMENDMENTS, ADDITIONS & DELETIONS

1. In considering that the Oragansing Authority has received written confirmation that shore based VHF facilities exist for the entire length of the course, the OA advises that a **HF Radio** is **optional**. However the OA certainly encourages all Competitors to still carry and use HF Radio.
2. The **NOR Appendix C - Satellite Phone, Radios & Installation requirements** is amended as follows:

Pre-race HF radio check & Satellite phone check

All Boats must carry out a pre-race satellite phone check between Tuesday 10th 5th January 2016 and Wednesday 6th January 2016 with the Race Committee on +61 400 558 917, if received a reply of "Received" will be sent to the phone.

Boats using HF radios for emergency communications must carry out a pre-race radio check between Tuesday 10th 5th January 2016 and Wednesday 6th January 2016 with.....
